Dear Friends of the German Shepherd Dogs breed – dear Friends of Dog Sports!
Despite the difficulties Ukraine is currently facing as a result of the ongoing war, the Central Club for German Shepherd Dogs of Ukraine decided to nevertheless send a team to this year's WUSV World Championship IP 2022 in Denmark.

The qualification trial took place under extremely difficult circumstances and a team was selected in strict compliance with the respective WUSV regulations and requirements.

Under the currently ruling martial law the financial and budget related situation of our club has considerably deteriorated. Nevertheless, it matters very much to the Central Club for German Shepherd Dogs of Ukraine to maintain the motivation of our friends in dog sports and present the national flag of Ukraine to the international community on the occasion of this year's WUSV World Championship IP in Denmark.

In order to be able to take part in the competition, the members of the Ukrainian team need moral and most of all financial support – and this more than ever.

In order to enable the participation of our team at the WUSV World Championship IP in Denmark we decided to start an appeal for donations. We appeal to the solidarity of the international community of German Shepherd Dog friends and kindly ask you to make our participation at the WUSV World Championship IP possible with your donation.

Your donation shall provide the necessary means for
