Ladies and Gentlemen:

The **World Union of the Association of German Shepherd Dog Clubs (WUSV)** is pleased to announce the **WUSV-German Shepherd Dog Week** that is scheduled from April 10th, to April 16th, 2023. The hosting organization is the WUSV member club Real CEPPA in Spain – with venue in Lerma. The event is an ideal opportunity for networking for all fanciers of the German Shepherd Dog breed where we can all learn from each other and present our dogs in a friendly and competitive environment.

The **WUSV-German Shepherd Dog Week** will feature a variety of activities and competitions – such as a *Siegerschau*, workshops and demonstrations of agility, the national Spanish qualification trial for the participation in the WUSV World Championship IP & Universal as well as presentations in the field of rescue dogs' sport.

In addition to the competitions a number of seminars and workshops will be held which are targeted at judges, breeders, dog owners and dog handlers as well as all other interested parties. Top-class speakers from all over the world will address topics such as breeding, breed standard, veterinary medicine, cynology, animal welfare, ethics in dogs' sport and many more. Even an expert speaker from the European Commission is invited and will hold a presentation with regard to animal welfare under European law. Please find the complete program at:
