

## Report on WUSV Universal Championship 2019 in Nantwich/ England

I would like to give thanks to the Board of Directors of the WUSV for having entrusted me with the office of judge for obedience on the occasion of this event! My thanks also go to the GSD League of Great Britain and the head of the organization team, Ms Shirley Hutchinson. My compliments for the excellent organization of the event!

During the competition I was assisted by co-judge, Mr. Manfred Drescher from Germany and would like to thank him for the collegiality and harmony while working together. By the same token I wish him the best of luck for judging the WUSV Universal Championship 2020 in France!

The long-down was judged by Mr. Fintan Lalor from Ireland. Many thanks for his impeccable work and his commitment on all days of the competition.

The evaluation of the dogs was – of course – based on the newly issued IGP. Enthusiasm, harmony between dog and handler as well as the technique shown during the exercises were also integral part of the ratings granted. I attached great importance to the powerful and free jump over the sport equipment. All in all, I saw quite a number of dogs who coped well in this respect. Thus, I could award the following scores:

### Males

1 x Excellent  
8 x Very Good  
12 x Good  
4 x Satisfactory

### Females

2 x Very Good  
10 x Good  
2 x Satisfactory  
1 x Insufficient  
2 x Abort due to Injury

In total, 42 dogs were presented to me and I would like to give thanks to the handlers for the correct and fair presentation of the dogs.
